### REPRODUCTION AND USER FEES

Publication use applies to the use of a reproduction in print, film, video, or digital format. The fees are waived for use by the Iowa news media in television newscasts, radio or newspaper articles. The use fees listed below include research time and photograph duplication costs. These costs are subject to change.

All users purchasing prints for any reason must submit an application for permission to copy and/or use photographs.

All images whose copyright is not held by the Linn County Historical Society must seek permission for the creator of the work or from the current copyright holder. All material is subject to current copyright laws.

Requests for publication, reuse, or changes in use must be submitted in writing to the Linn County Historical Society's Archivist for approval.

Fees are for one-time use, in one publication, in one language, and distribution only in North America. Worldwide distribution for one-time use in one or more languages is double the prices listed above. The same fees apply to subsequent editions.
